1. The following is an examiner's statement of reasons for allowance:

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicants' apparatus as set forth in independent claim 1 that is particularly characterized at least by the claimed "pulse circuit ..." and "controller ..." as set forth in claim 1 taken together and taken in the overall context of independent claim 1.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicants' apparatus as set forth in independent claim 9 that is particularly characterized at least by the claimed "pulse circuit ..."; "time sampling circuit ..."; and "controller ..." as set forth in claim 9 taken together and taken in the overall context of independent claim 9.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicants' apparatus as set forth in independent claim 18 that is particularly characterized at least by the claimed "pulse circuit ..." and "controller ..." as set forth in claim 18 taken together and taken in the overall context of independent claim 18.

Dependent claims 2-8, 10-17, and 19-26 are allowable for at least the reasons for which their respective independent base claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
